

# Gemischter Satz 2018

## Wine Description

The Gemischer Satz is not a Cuvée; it means that different vine varieties grow together in one vineyard. At the harvest the grapes were harvested together, pressed together and fermented together. 50 years ago this was the typical form of winegrowing before winegrowers started to make single-variety wines. This Gemischer Satz includes Fruehroter Veltliner, Rivaner, Pinot Blanc and other typical varieties of our region from 50 year old vines. The vineyard is situated in the very north of our region at 400m above sea level, which means a strong and cold climate. (Cool nights, rough winds) This brings fruitiness and mineral taste in the wine. The main part of Fruehroter Veltliner and Rivaner are responsible for a mild acidity. This makes the wine to a good companion to spicy food.
