VINEYARD

Vineyard Site:

The "Eisenhut" is a hill with deep reaching layers of rock, covered by red gravel and Loess layers. The southern slope of this reed is an especially warm location. Because of the rather barren ground, as compared to other reeds, this soil is better suited for growth-intensive sorts, like the Roter Veltliner. Additionally the grounds are also home to some red wines. Officially the location "Haide" is part of the reed "Eisenhut".
