

# Grüner Veltliner Pur 2019

## Wine Description

The Grüner Veltliner PUR is a so called „Orange Wine“. It was fermented like red wine on the skin and it was no sulphur added during the whole vinification, just before bottling it got a minimal sulphur addition. This is the reason for its amber colour and the name "organe wine". Necessary requirements for such a wine are intact grapes and stony soil. The Grüner Veltliner PUR was 6 weeks on the skin. Afterwards the wine was racked into a big used oak barrel for continuing ripening process on the fine yeasts. The result is a spicy-peppery Veltliner with refreshing mineral taste and a long finish.

|                              |                          |
|------------------------------|--------------------------|
| <b>Wine Type:</b>            | still wine   white   dry |
| <b>Alcohol:</b>              | 12.5 %                   |
| <b>Residual Sugar:</b>       | 1.1 g/l                  |
