Grüner Veltliner Pur 2019

Wine Description

The Gruener Veltliner PUR is a so called "Orange Wine". It was fermented like redwine on the skin and it was no sulphur added during the whole vinification, just before botteling it got a minimal sulphur addition. This is the reason for its amber colour and the name "organe wine". Necessary requirements for such a wine are intact grapes and stony soil. The Gruener Veltliner PUR 2019 was 6 weeks on the skin. Afterwards the wine was racked into a big used oak barrrel for continuing ripening process on the fine yeasts. It got no fining and was bottled without filtration. The result is a spicy-peppery Veltliner with refreshing mineral taste and a long finish.

| Wine Type: | still wine white dry |
|-----------------------|--------------------------|
| Alcohol: | 12.5 % |
| Residual Sugar: | 1.1 g/l |
| Acid: | 5.8 g/l |
| Total Sulfur: | 22 mg |
