

[wabi-sabi] : wine

#AncestralRosé N.V.

Perlwein aus Österreich

WINE DESCRIPTION

The true “ancestral” method stands for natural, low-intervention sparkling wines, bone dry and full of life. A blend of Austrian red grapes is carefully macerated for a short period of time resulting in fine bubbles, decent red berry fruit and animating lightness.

Wine Type: Pet Nat | rose | dry
Alcohol: 10.5 %
Allergens: sulfites

VINEYARD

Vineyard Site:

Vineyard management: organic viticulture, cover crops, use of teas and extracts

Whole Grape Pressing: yes
Disgorgement: warm
Filter: unfiltered
Sulfur Added: no
Sulfur Added: no
Maturing: steel tank
oak barrel
bottle
Time on the Fine Yeast: 4 month(s)
Bottling: crone cap

WINERY

Perfectly made wines can often seem smooth and soon bore us. So, here is our range of Wabi-Sabi wines: Wines with a certain roughness, wines with an edge. In traditional Japanese aesthetics, Wabi-sabi (侘寂) is a world view centered on the acceptance of transience and imperfection. The aesthetic is sometimes described as one of beauty that is „imperfect, impermanent, and incomplete“. It is a concept derived from the Buddhist teaching of the three marks of existence (三法印 sanbōin), specifically impermanence (無常 mujō), suffering (苦 ku) and emptiness or absence of self-nature (空 kū). Characteristics of the wabi-sabi aesthetic include asymmetry, roughness, simplicity, economy, austerity, modesty, intimacy, and appreciation of the ingenuous integrity of natural objects and processes. In today's Japan, the meaning of wabi-sabi is often condensed to „wisdom in natural simplicity.“
