LEITHABERG WEISSBURGUNDER 2020

WEIN VOM LEITHABERG

Origin: Quality grade: Site: Site Type: Varietal: **Geografical Orientation:** Sea Level: Soil:

Austria, Burgenland Leithaberg DAC Eisenstaedter single vineyard Feiersteig hilly land Weißburgunder | 29 - 46 years south east 200 - 220 m calcareous | large brown earth limestone from Leitha humus | medium

Vineyard Site:

The Leithaberg is the last remnant of the Alps reaching toward the Pannonian Plain. Its shell limestone soil is millions of years old and offers optimal conditions to grow complex wines. This unique calcareous soil and the cool winds from the adjacent Leithaberg Forest lends the wines an inimitable mineral, highly structured character.

Cellar

Certificates:

LEITH**∧**BERG‴

Harvest:	handpicked September 22
Fermentation:	spontaneous
Maturing:	large wooden barrel 2500 L used barrel 12 month(s)
Bottling:	screw cap
Data	
Wine Type:	still wine white dry
Alcohol:	13 %
Residual Sugar:	1.2 g/l
Acid:	5.7 g/l

Wine Description

Drinking Temperature: Optimum Drinking Year:

The shy nose gives little away but hints at subtle pear and cream. The palate comes in with measured roundness, speaking of the warmth of the vintage but contained by a certain chalky coolness and bright lemon freshness. There is a lovely texture and a concentrated midpalate that leads to a long, rounded finish.
