[wabi-sabi] : wine

twist&drink Grüner Veltliner 2021

Wein aus Österreich

WINE DESCRIPTION

Nomen est Omen: twist&drink represents the everyday fun, easy-to-drink side of wine, yet with a unmessed with, honest approach. The Veltliner is easy-going, fruitdriven but authentic. Thanks to its low-intervention approach, and vinification in stainless steel and old barrels, it shows fruit, nice acidity and its true varietal character.

WINERY

Perfectly made wines can often seem smooth and soon bore us. So, here is our range of Wabi-Sabi wines: Wines with a certain roughness, wines with an edge. In traditional Japanese aesthetics, Wabi-sabi (侘寂) is a world view centered on the acceptance of transience and imperfection. The aesthetic is sometimes described as one of beauty that is "imperfect, impermanent, and incomplete". It is a concept derived from the Buddhist teaching of the three marks of existence (三法印 sanbōin), specifically impermanence (無常 mujō), suffering (苦 ku) and emptiness or absence of self-nature (空 kū). Characteristics of the wabi-sabi aesthetic include asymmetry, roughness, simplicity, economy, austerity, modesty, intimacy, and appreciation of the ingenuous integrity of natural objects and processes. In today's Japan, the meaning of wabi-sabi is often condensed to "wisdom in natural simplicity."
