In 1973 a romantic fresco cycle from the 13th century was uncovered in the castle of Rodengo, near Brixen. These frescos tell the first part of the French-Celtic saga of Hartmann von Aue about the knight "Iwein" or "Ywain". It is the eponym for our Merlot, also for its obvious similarity to the name wine.

Food Pairing

Goes very well with game dishes, piquant cheese, strong pasta and creamy risotti.

Vintage 2021

A late harvest and lovely, stable weather at the crush characterized Alto Adige's 2021 vintage. Thus the grapes could be left to ripen ideally, and thanks to the high temperature differentials between day and night, a great deal of aroma could form. The result is an extraordinary 2021 white wine vintage. (Südtirol Wein)
