Weather / Climate

Vintage description:

The grape harvest started a little earlier than in the previous year, the main harvest took place between mid-September and the first week of October, the grapes were very ripe and healthy. Due to the heat, the berries were smaller, resulting in lower juice yields, but also more concentrated, denser and, in the case of the red wines, darker wines.

Harvest and Maturing

Maturing: stainless steel tank

Winery

The black raven on Rabl wine labels represents high quality single vineyard wines and animating entry-level wines. Scrupulous work with unerring attention to detail in the vineyards and the cellar is the basis for superb wines that earn recognition from wine specialists and numerous accolades from all over the world.
