

ESCHENHOF HOLZER

THE NATURAL ORANGE 2022

WINE DESCRIPTION

The Natural Orange Grüner Veltliner from Eschenhof Holzer is a unique and intriguing wine that showcases the winery's commitment to natural winemaking. Made from the Grüner Veltliner grape variety, this wine is fermented with the skins, resulting in a beautiful orange hue. What sets this wine apart is its natural winemaking approach. The grapes are grown organically, without the use of synthetic pesticides or herbicides. The fermentation process occurs spontaneously, with native yeasts, and without any added sulfites. On the nose, it offers a complex bouquet of dried fruits, nuts, and a hint of honey. On the palate, it is robust texture and a balanced acidity. Overall, the Natural Orange Grüner Veltliner from Eschenhof Holzer is a fascinating wine that combines tradition with innovation. Its natural winemaking approach and unique flavor profile make it a must-try for wine enthusiasts looking for something different.
