WINE DESCRIPTION

Bright yellow, intensive in the nose, resembles apricots and fresh herbs. Tempting and friendly. A classical Riesling, balanced flow and spiciness.

WINERY

Being a wine grower is both our vocation and our commitment. It is our calling to produce wines with character and sustainably; it is our commitment to future generations. The distinctive character is shaped by several factors and methods, and these are responsible for the uniqueness of our wines. This is significantly influenced by the wine-growing region of Wagram and its grape varieties; yet specifically characterised by biodynamics.
