**Aging Potential:** small (5 years)  
**Optimum Drinking Year:** 2024 - 2029

## WINE DESCRIPTION

Juicy white cherries in the nose, meadow flowers, wild strawberries. Very drinkable, at the same time quite viscous in texture; crisp acidity on the palate, long! Cherry stones in the aftertaste. Makes you long for another sip!

## WINERY

Being a wine grower is both our vocation and our commitment. It is our calling to produce wines with character and sustainably; it is our commitment to future generations. The distinctive character is shaped by several factors and methods, and these are responsible for the uniqueness of our wines. This is significantly influenced by the wine-growing region of Wagram and its grape varieties; yet specifically characterised by biodynamics.
